WHY STUDY AUSTRALIAN RULES FOOTBALL?

The program provides students who have a passion for the game an opportunity to develop football skills and knowledge while completing school in Years 7-10. Opportunities to gain Certificates in Sport and Recreation and Outdoor Recreation are a natural progression into Year 11 and 12.

ABOUT THE PROGRAM:

- Students will learn about fitness, nutrition, managing their body for peak performance umpiring, coaching and game strategy.
- During the program students will have the opportunity to participate in beach fitness, listen to high profile guest speakers, umpire and play in Lightning Carnivals, coach at junior levels, attend camps and play against other local schools.
- An opportunity for interstate travel to Melbourne is also a part of this exciting program.

HOW CAN I APPLY TO BE PART OF THE AUSTRALIAN FOOTBALL PROGRAM?

Students wishing to apply for the Australian Football Program can enter at Years 7, 8, 9 and 10.

As school boundaries do not apply, students living anywhere in W.A. can apply. The program is a Department of Education Specialist Program, the only one in the West Perth District.

Applicants need to complete an application form and the general enrolment form (included in this package). Alternatively, these forms can be located on the school website.
