   - Check pre-requisites for WACE courses, University and Training WA courses.
   - Discuss your selected courses with your parents, subject teachers, Heads of Learning Area, Head of Year (HoY), or Career Education Co-ordinator.

2. Make decisions about your courses – organise your courses as preferences 2 to 6, English is Number 1. Generally, we recommend the following structure for the **three pathways**:

1. University (4 or more ATAR) Wanneroo Campus	**2. TAFE or Employment General Pathway – Wanneroo Campus**	**3. Joondalup Campus** Three days FIXED COURSES at Joondalup Campus and one day at TAFE.
Choose 6 Courses of Study **OR** Choose 5 Courses of Study plus a Certificate Course You **must** have 4,5 or 6 courses with an ATAR code if you want to get an ATAR score (one of them has to be English ATAR) 6 ATAR courses is very demanding but some people will cope. FOUR or FIVE is recommended for most students	Choose 6 Courses of Study **OR** Choose 5 Courses of Study plus a Certificate Course **We strongly encourage all General Pathway students to select one Certificate course to support TAFE Applications post school.**	Students may apply for limited places the following; Pre-Apprenticeships in Schools (PAiS) – Nominate preferred trade area **OR** **School Based Traineeship** **OR** VET in Schools (VETiS) – Nominate preferred trade area **For more information Contact Mr Chris Leggett – Joondalup Campus Manager on 0408 959 157 or email Chris.Leggett@education.wa.edu.au**

3. Ensure that you have fulfilled the **compulsory** requirement to study English and to study at least one course from List A and one course from List B.

4. Make decisions about your Reserve Courses. Select three courses as reserves.

5. Complete the Parent and Student signatures on the SENIOR SCHOOL AGREEMENT Section.
   It is important to note:

   - Not all the courses listed on your enrolment sheet may be available next year. The number of students selecting a particular course will determine whether that course is finally included.

   - Every effort will be made to accommodate students with the courses of their choice. **However, due consideration needs to be given to teacher recommendations.**

   - Students should select courses with the expectation they will study them for the full year. Course requirements make changes very difficult once the year has started.
